Dear Brianna

Your policy is due for renewal soon and we're looking forward to covering you for another year.

Paying your premium

To ensure your cover continues, please choose from one of our easy payment options shown opposite.

Indexation Benefit

This benefit helps ensure your cover maintains real value and keeps up with the increased cost of living. If you have not opted out of this benefit, the amount you are covered for has been increased and as a result your premium has also increased. For details about this change please see over the page. If you don't want the increased cover please give us a call.

Future Increase Benefit

Did you know you can increase your benefit amount as a result of specific personal or business events, without the need for further medical assessment?

Speak to your adviser today about taking up this benefit if you have recently got a pay rise, married, taken a mortgage, welcomed a new child or are a business owner and your debt or value of your business has increased.

Thank you for choosing us for your life insurance needs.

Yours sincerely,

Fred Murphy
Head of Client Administration
